

## Policy Name: Fee for Service Fees, Charges and Refunds Policy

Effective date	October 2023	Date of last revision	April 2023	Version no.	4.2
Person responsible	Managing Director Streamline Training				

### Purpose

The purpose of this Policy is to ensure that Streamline Training has a fair and equitable fee structure and refund policy for fee-for-service students/clients, paying full fees.

### Definitions

**Student** – the participant in the training and assessment activity.

**Client** – third party fee-paying entity.

**Commencement/Commenced** – If a student has created a login and logged into the system then this student will be considered a “Commenced Student”. This is because students will have access to the learning management system, learning materials and assessments.

### Policy

#### Fees and Charges

The following fee information is to be provided to each client/student prior to their enrolment:

- 🟡 The total amount of all fees includes course fees, administration fees, resource fees and any other charges are available in the Fee Schedule (refer to *Fee Schedule*).
- 🟡 Streamline Training will strive to maintain highly competitive fair and reasonable fee structures, outlining all fees and charges in the *Fee Schedule*.
- 🟡 Streamline Training adjusts its fees and charges from time to time. Changes to fees will be fairly and equitably applied, advertised and clearly indicate the date from which the change will take effect.
- 🟡 Streamline Training provides details of course fees in all course information (refer to *Student Information Policy*).
- 🟡 Course fees may be negotiated with individual students, as approved by Managing Director Streamline Training.
- 🟡 The Managing Director Streamline Training may discount or waive course at their discretion, and where such waiver falls into compliance with any “Funding body” policy (as relevant).
- 🟡 Confidentiality regarding fee arrangements is expected from students.
- 🟡 Clients/students must be provided with a receipt for all fees paid.
- 🟡 Streamline Training will, according to the course chosen, start the training and assessment facilitation process once the student has commenced study in their chosen qualification or course.
- 🟡 Refunds can be requested using the Streamline Refund Request Form, and
- 🟡 conditions under which a refund would be provided is outlined in the section below.

#### Payment terms and arrangements:

- 🟡 The minimum Course Fee payment for Workplace (blended) delivery is established prior to enrolment of each course unless the written invoice indicates otherwise. Minimum fee payments for on-the-job training, corporate training and short courses will be as per the invoice.
- 🟡 In accordance with Schedule 6 of The Standards; Streamline Training adopts the following to protect fees paid in advance:

- For qualifications or courses costing more than \$1500 in fees, Streamline Training uses a monthly payment plan (flexible payment) model and will not accept prepaid fees from individual students in excess of a total of \$1500 (being the threshold total prepaid fees amount). Monthly payments are calculated using the table located in the **Fee Schedule**:
  - The monthly payment is pre-paid for the following month. Typically the payment is made by the 25<sup>th</sup> (day) of the month. Therefore if the student pays on 25<sup>th</sup> February, the payment is for training and assessment in March.
  - Regarding the payment plan model – Prepaid fees for an individual student will not exceed \$1500. See *Fee Schedule* for payment schedule.
- For qualifications or courses costing less than \$1500 in fees, Clients/Students will have the option of pre-paying in full, or opt for a Flexible Payment Arrangement which can be arranged directly with a fee structure unique to the student's individual circumstances. (*such as instalments, credit card, direct debit, cheques and EFT remittance are acceptable to accommodate the diverse financial situations of students.*)
- If Flexible payment arrangements or monthly payment plans are in place, and a payment becomes overdue and remains unpaid for a period in excess of 14 days, Streamline Training reserves the right to suspend the student's learning or assessment (or both) until all fee payments are up-to-date.
- Fees must be paid in full before certification will be issued to the student.
- For more information for Funded students, please see Streamline Training's *Funded Fees, Charges and Refunds Policy* and the *DTWD VET Fees and Charges Policy* - <https://www.dtwd.wa.gov.au/about-us#vet-fees-and-charges-policy>

### Accepting fees in advance

Streamline Training will **not** require a prospective or current student to prepay fees in excess of a total of \$1500.

### Student Progress

Following enrolment, Streamline Training monitors student progress through the learning management portal, and will communicate with students from time to time, to ensure they are progressing through their course. It is expected that students respond to any requests from Streamline Training. If Streamline Training identifies inactivity or no activity, student enrolments may be withdrawn or suspended until such a time as the student contacts us to reinstate it.

## Rebooking Workshops and Practical Assessment Bookings; or Making Changes to Short Courses

There may be times when client/student wants to make changes to dates for workshops or practical assessment bookings.

- **Workshops or short courses** - If changes are within 48 hours of the initial booking, Streamline Training will process the change free-of-charge. However, if the change is requested 48 hours or more after the initial booking or the student has "commenced", a re-booking fee will be charged. (see **Fees Schedule**).
- **Practical Assessment Bookings** - If changes are made within 24 hours of the booked appointment, a re-booking fee will be charged (see **Fees Schedule**).
- **Transferring from classroom workshop to online training** - If a student transfers from a classroom booking to the online training, Streamline Training will transfer the student free of charge, however no refund applies.
- **Transferring from online training to classroom workshop** - If a student transfers from an online training to classroom workshop they will be required to pay the difference in price.

## Refunds

Details of Streamline Training Fees, Charges and Refund Policy (this policy) are publicly available.

Note that eligible refunds are provided to the fee-paying entity e.g., if the student pays the fees, applicable refunds apply to the student; if the third party pays the fees, applicable refunds apply to the third party.

### **Refunds for Short Courses and Skill Sets (under \$1500)**

Each client or student is expected to read course information, terms and conditions including entry requirements, fees, charges and refund policy prior to purchase. By enrolling into a short course with Streamline Training, the student or client is signing and agreeing to the terms set out on the website and in this policy:

- a. Students are not entitled to a refund in the following instances:
  1. Where the refund request is related to a change of mind, found the training product cheaper somewhere else, or decided they didn't like the training product or decided the training product is no longer of relevance to them.
  2. Where a student enrolls without reading (or disregards) the enrolment terms or entry requirements stated in the course webpage (including but not limited to prerequisite unit requirements, visa requirements, residency requirements, course age-restrictions or legislative requirements).
  3. When a student has 'commenced' a short course/unit e.g. the student logged into the Student Portal and accessed or opened one or more modules.
  4. Where a student has failed to show up (no-show) to a booked workshop.
  5. Where a student has not successfully progressed through the assessment process.
  6. Where a student utilises recognition of prior learning assessments and resources and services have been supplied to the client/student.
- b. A refund request implies that the student wishes to withdraw from or cancel their course. Written notification must be provided by a client/student to apply for a refund for a course. This is via a refund form, which will need to be requested from Streamline Training.
- c. The refund form must be filled out and submitted to Streamline Training for review, together with the date the refund was requested.
- d. If credit notes or refunds are to be issued these will be actioned within one week (seven days) of application. If a refund has been actioned, some merchants may take up to 10 business days (Monday to Friday) to process refunds meaning reflection in the bank account will not be immediate.
- e. With regard to withdrawals, Streamline Training will encourage a client to enrol in another chosen course or course date, prior to processing refund or credit note applications, if appropriate.
- f. Streamline Training does not accept liability for loss or damage suffered in the event of withdrawal from a course by a client/student.
- g. Streamline Training provides a full refund to all clients/students, should there be a need for Streamline Training to cancel a short course. In the first instance Streamline Training will (where possible) provide an opportunity for the client/student to attend another scheduled short course.
- h. If Streamline Training cancels a Short Course or Skill Set, clients/students do not have to apply for a refund, Streamline Training will process the refunds automatically.
- i. For more information for Funded students, please see Streamline Training's *Funded Fees, Charges and Refunds Policy* and the *DTWD VET Fees and Charges Policy* - <https://www.dtwd.wa.gov.au/about-us#vet-fees-and-charges-policy>
